FRCC Resource Stewardship subcommittee Meeting Minutes
Tuesday, October 4, 2022
Via Zoom

Attendance: Colebrook (Alison Jassen, Representative subcommittee chair), New Hartford (Alison Murdock), FRWA (Laura Hart, Alternate), , CT DEEP (Susan Peterson, Alternate), National Parks Service (Andrew Petitdemange, Representative), FVTU (Jim Buchok, Representative)

Invasive Plants Management: It was suggested that this be added to the grant application and sent out to members for comment. There will be an Invasives Training Event on November 3 from 9 – 4. Registration is due by October 7th and it will cost \$50.

Water Quality Monitoring/Stream Crossing Surveys: Data gathering has been completed and is being compiled. Due to the drought some testing sites could not be used during the driest time periods.

Continuing Items:

Hogback Rd violation: no new updates

West River Rd: waiting on permits

Instream Flows – MDC: Nothing new. Laura will investigate to see if Army Corp representative can be included on committee.

R/S Action Items from April Workshop

The committee suggested that Andrew draw up a FRP to compile all of the existing studies, data, reports on the Upper Farmington and from there the committee can look to see where we have gaps. Andrew will draw up an FRP for the next meeting.

Meeting adjourned: 7:08.
