Meeting Notes December 5, 2022

by Zoom 6:30-7:42pm

In attendance: Laura, Dan, Mario, Roger and David-chair

**Stewards** Stephan beginning pre-hiring phase for 2023 Summer season. Americorps is interested in placing team on Farmington, government funded, eight-week program, 8-10 person teams will need housing etc. Laura to continue to meet with them.

**User FRCC Workshop** Andrew and David are working on priority suggestions for E&O.

**Quilt** Currently stored at FRWA. DEEP declined display at Exec Offices as many folks are working off site. Future possibility of Quilters doing Lower River-which would yield a 100-foot quilt of the whole river.

**Kiosks** All MDC located new kiosks have been installed.

Long discussion of format and contents of back panels.

General agreement:

Information to be very site specific such as tubing at Satan's, industry at Riverton, Meadows at Mathies

Wildlife pictures of only local species

Pictures with people

Emphasis on ORVs

Map not necessary as they are on front panel

Format and layouts can differ among kiosks

**Canoe at Squires** Suspended from the back room is an ABS Old Town that needs some small filling on hull. David reminded that there is also an ABS Old Town given to FRCC and stored at his home. FRCC has two river ready boats. Need to determine
